

Remember, Remember 5th November

PARIHAKA

A commemoration:
1pm, Friday 5th November
Christchurch Anglican Cathedral
Guest speaker: **Sir Paul Reeves**

129 years ago the village of Parihaka in Taranaki, peacefully protested the forceful seizure of their land. Parihaka's leaders **Te Whiti o Rongomai** and **Tohu Kakahi** were jailed without trial at Addington Prison. Hundreds of others from Parihaka were also jailed throughout the South Island. We gather to celebrate their actions, to hear the story retold and remember.
