

Not in Our Name

We believe that as people living in Aotearoa / New Zealand it is our responsibility to resist the injustices done by our government, in our names

Not in our name will you wage endless war there can be no more deaths no more transfusions of blood for oil

Not in our name will you invade countries bomb civilians, kill more children letting history take its course over the graves of the nameless

Not in our name will you erode the very freedoms you have claimed to fight for

Not by our hands will we supply weapons and funding for the annihilation of families on foreign soil

Not by our mouths will we let fear silence us

Not by our hearts will we allow whole peoples or countries to be deemed evil

Not by our will and Not in our name

We pledge resistance

We pledge alliance with those who have come under attack for voicing opposition to the war or for their religion or ethnicity

We pledge to make common cause with the people of the world to bring about justice, freedom and peace

Another world is possible and we pledge to make it real.
